

WEAPONS AND DANGEROUS INSTRUMENTS

The Yolo County Board of Education and the Yolo County Office of Education desire students and staff to be free from the danger presented by firearms and other weapons and recognizes that they have the right to a safe and secure campus free from psychological and physical harm.

(cf. 0450 - Comprehensive Safety Plan)
(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5131 - Conduct)
(cf. 5144 - Discipline)

Possession of Weapons

The County Office prohibits any person other than authorized law enforcement or security personnel from possessing weapons, imitation firearms, or dangerous instruments of any kind in school buildings, on school grounds or buses, at school-related or school-sponsored activities away from school, or while going to or coming from school.

(cf. 3515.3 - District Police/Security Department)

Students possessing or threatening others with any weapon, dangerous instrument, or imitation firearm are subject to suspension and/or expulsion in accordance with law, County Office policy, and administrative regulations.

Under the power granted to the Yolo County Superintendent of Schools to maintain order and discipline in the schools and to protect the safety of students, staff, and the public, any school employee is authorized to confiscate a weapon, dangerous instrument, or imitation firearm from any person on school grounds.

(cf. 4158/4258/4358 - Employee Security)

The site administrator or designee shall notify law enforcement authorities when any student possesses a weapon without permission or commits any act of assault with a firearm or other weapon. (Education Code 48902; Penal Code 245, 626.9, 626.10; 20 USC 7151)

Possession of Pepper Spray

To prevent potential misuse that may harm students or staff, students are prohibited from carrying tear gas or tear gas weapons such as pepper spray on campus or at school activities.

Reporting of Dangerous Objects

The County Superintendent encourages students to promptly report the presence of weapons, injurious objects, or other suspicious activity to school authorities. The identity of a student who reports such activity shall remain confidential to the extent permitted by law.

WEAPONS AND DANGEROUS INSTRUMENTS (continued)

(cf. 5125 - Student Records)

The Yolo County Superintendent or designee shall develop strategies designed to facilitate student reporting of the presence of injurious objects on school grounds, such as tip hotlines, electronic transmissions, or other methods that preserve the student's anonymity. Incident reports and records shall not identify the student who reported the possession. The strategy shall also provide a method of informing staff, students, and parents/guardians that students who report the presence of injurious objects on school campuses are to be protected and their identity shielded.
