

QUESTIONING AND APPREHENSION

Law enforcement officers have the right to interview and question students on school premises. When such an interview is requested, the site administrator or designee shall ascertain the officer's identity, official capacity, and the authority under which he/she acts. If the officer needs to interview or question the student immediately, the site administrator or designee shall accommodate the process in a way that causes the least possible disruption to the school, gives the student appropriate privacy, and models exemplary cooperation with community law enforcement authorities.

Except in cases of child abuse or neglect, the site administrator or designee shall notify the student's parent/guardian when a law enforcement officer requests an interview on school premises.

At the law officer's discretion and with the student's approval, the site administrator or designee may be present during the interview.

If the law officer finds it necessary to remove the student from school, the site administrator or designee shall first ascertain the reason for such action. Upon releasing the student, the site administrator or designee shall immediately attempt to inform the student's parent/guardian.

Personnel responsible for releasing a student from school custody shall exercise extreme diligence to prevent such release to any unauthorized or unidentified person.

(cf. 5142 - Safety)

Subpoenas

Although subpoenas may legally be served at school, the Yolo County Office of Education believes that serving officials should be strongly urged to serve subpoenas at the home of the student whenever possible. In these situations, steps should be taken to ensure a minimum of embarrassment or loss of class time for the student.

QUESTIONING AND APPREHENSION

Questioning on School Grounds

The school shall keep a record of any interviews of students by law officers on school premises. Such records shall include the date and time, name and identifying number of the officer, the agency employing the officer and his/her official capacity, the time when he/she arrived and left, the fact that the site administrator or designee was or was not present during the interview, the reason for the questioning and/or release, and any other pertinent information.

Apprehension

Police officers, officers of the juvenile court, and other authorized law enforcement officials have an absolute right to enter a school to take a student into custody or to make an arrest of a student.

If a minor student is removed from school into the custody of a peace officer, the site administrator or designee shall immediately notify the parent/guardian or responsible relative regarding the student's release and the place to which he/she is reportedly being taken, except when the minor has been taken into custody as a victim of suspected child abuse. (Education Code 48906)

The site administrator or designee shall record the time(s) of contact or attempted contact with the parent/guardian.

If the student is suspected of being a victim of child abuse, the Yolo County Superintendent of Schools or designee shall give the telephone number and address of the student's parent/guardian to the law enforcement officer, and the officer then has the responsibility of immediately notifying the parent/guardian. (Education Code 48906)

(cf. 5141.4 - Child Abuse Prevention and Reporting)

The County Superintendent or designee shall immediately be notified of the student's removal. This initial verbal notice will be followed by a written report by the site administrator or designee and shall include the date and time of arrest, the identity, badge number and official capacity of the officer and the reason for release.
