

ABSENCES AND EXCUSES

The Yolo County Board of Education and the Yolo County Office of Education believe that regular attendance plays an important role in student achievement. The County Office recognizes its responsibility under the law to ensure that students attend school regularly. Parents/guardians of children aged 6 to 18 are obligated to send their children to school unless otherwise provided by law. The County Office shall abide by all state attendance laws and may use appropriate legal means to correct the problems of excessive absence or truancy.

(cf. 5112.1 - Exemptions from Attendance)

(cf. 5112.2 - Exclusions from Attendance)

(cf. 5113.1 - Truancy)

Excused Absences

Absence from school shall be excused only for health reasons, family emergencies and justifiable personal reasons, as permitted by law, County Office policy and administration regulations. (Education Code 46010, 48205, 48216)

Inasmuch as class participation is an integral part of students' learning experiences, parents/guardians and students shall be encouraged to schedule medical appointments during nonschool hours.

At the beginning of each academic year, notifications shall be sent to the parents/guardians of all students, and to all students in grades 7 through 12, informing them that school authorities may excuse any student from school to obtain confidential medical services without the consent of the student's parent/guardian. (Education Code 46010.1)

(cf. 5145.6 - Parental Notifications)

Students shall not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency or confidential medical appointment.

Student absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to law and administrative regulations. (Education Code 46014)

A student's grades may be affected by excessive unexcused absences in accordance with County Office policy.
