# INSTRUCTIONS

1. Review mapped assets using the Asset Map Key Handout to understand asset name, category, and services provided at that location.

Key to Asset Types

- 2. Confirm where existing services are provided by mapped assets. Have we mapped existing assets correctly and have we missed anything that exists? Note directly on the map or on a blue post-it note.
- 2b. Use the supplementary "Asset & Service Identification Form" to add services provided by an asset and elaborate on how they benefit children, youth, & families.
- 3. What services and/or resources would you like to see, which are not provided by existing assets in the area mapped, that would be most beneficial to Yolo County children, youth, and families? Discuss with your table and write your ideas down on a yellow post-it note.

District 1 - Map A 162

3. What services and/or resources would you like to see, which are not provided by existing assets in the area mapped, that would be most beneficial to Yolo County children, youth, and families? Discuss with your table and write your ideas down on a yellow post-it note.

2b. Use the supplementary "Asset & Service Identification Form" to add services provided by an asset and elaborate on how they benefit children, youth, & families.

2. Confirm where existing services are provided by mapped assets. Have we mapped existing assets correctly and have we missed anything that exists? Note anything that exists? Note blue post-it note.

1. Review mapped assets using the Asset Map Key Handout to understand asset name, category, and services provided at that location.
