

All In! For Children & Youth

Roadmap to the Future for Yolo County Children and Youth

May 1-4 and May 10

5:30 - 7:30 pm

Davis | West Sacramento | Winters | Esparto | Woodland

The purpose of the second **All In! for Children and Youth session** is to engage community members across Yolo County to review and contribute to developing a comprehensive needs assessment for the county.

The purpose of the **Roadmap to the Future** project – launched in April 2022 – is to pave the way for advanced coordination of countywide services, supports, and opportunities for children, youth, and families.

The Key Themes for Youth Needs in Yolo County

Youth Services and Basic Needs

Services and community elements that serve the most basic needs of youth: food, shelter, transportation, health, finances

Accessible Youth Enrichment Activities

Youth programs and activities like afterschool programs, sports, arts, places to go

College and Career Readiness

Ability for older youth and young adults to get education and opportunities needed to support a productive and successful future

Physical and Mental Health Support

Services and programs that support mental, emotional, and physical health

Available and Affordable Childcare

Safe, available, and affordable places and programs for children to be cared for when their parents are unavailable
