## **Administrative Services**

- Highlights of the May Revision:
- LCFF Gap Funding — Increases LCFF funding an additional \$661 million above the January budget to fund the 1.56% COLA and brings LCFF funding to 97% of the target
- One-time Funding — One-time funding was increased from the January proposal. The May Revision provides a total of more than \$1 billion in one-time discretionary funding to be paid in May 2019 should 2017-18 revenue projections be met
- Cost of Living Adjustments — Increases Proposition 98 spending by \$3.2 million in selected categorical programs for 2017-18 to reflect a change in the cost of living factor from 1.48% at the Governor's Budget to 1.56% at the May Revision
- Special Education — In January, the Governor announced the Administration would engage stakeholders throughout the spring budget process for feedback on the current special education finance system and the recommendations included in recent evaluations of special education finance conducted by the Public Policy Institute of California (PPIC) and the Governor's Statewide Special Education Task Force. The May Revision states that "given the scope of the feedback and complexity of the program, the administration will need additional time to examine the issues before making any reform proposals"
- Preschool — Proposes to add \$112.3 million in Proposition 98 funding resulting in the following enhancements in the budget year:
  - 2,959 additional full-day State Preschool slots in the budget year
  - Restore the full 10% reimbursement rate increase made in the 2016-17 budget
  - Increase to the standard reimbursement rate for State Preschool by 6%
- **Details for SOS are below:**
- The fire inspection is Tuesday morning at 10:00am
- Epoxy is scheduled to begin on Monday in the large open shop area
- Mechanical ventilation units need to be installed as well as roll up doors, waiting on the lead time for the roll up doors
