Marcos Osorio's presentation!

1. Youth are the future; we are the next generation of voters.
2. Share my experience on my trip to Memphis, I found out that California isn't the only state experiencing similar issues in our community.
3. What was the value of this trip to Memphis? Learn and observe that the youth can empower communities and be heard through the voices we have because we rise up as ONE.
4. Through everything I've accomplished I've learned to Pick and choose who you hang around with, your influences can affect your future!
