Greengate School

Mini Grant Presentation and Thank You
October 23, 2018

Reason for Grant

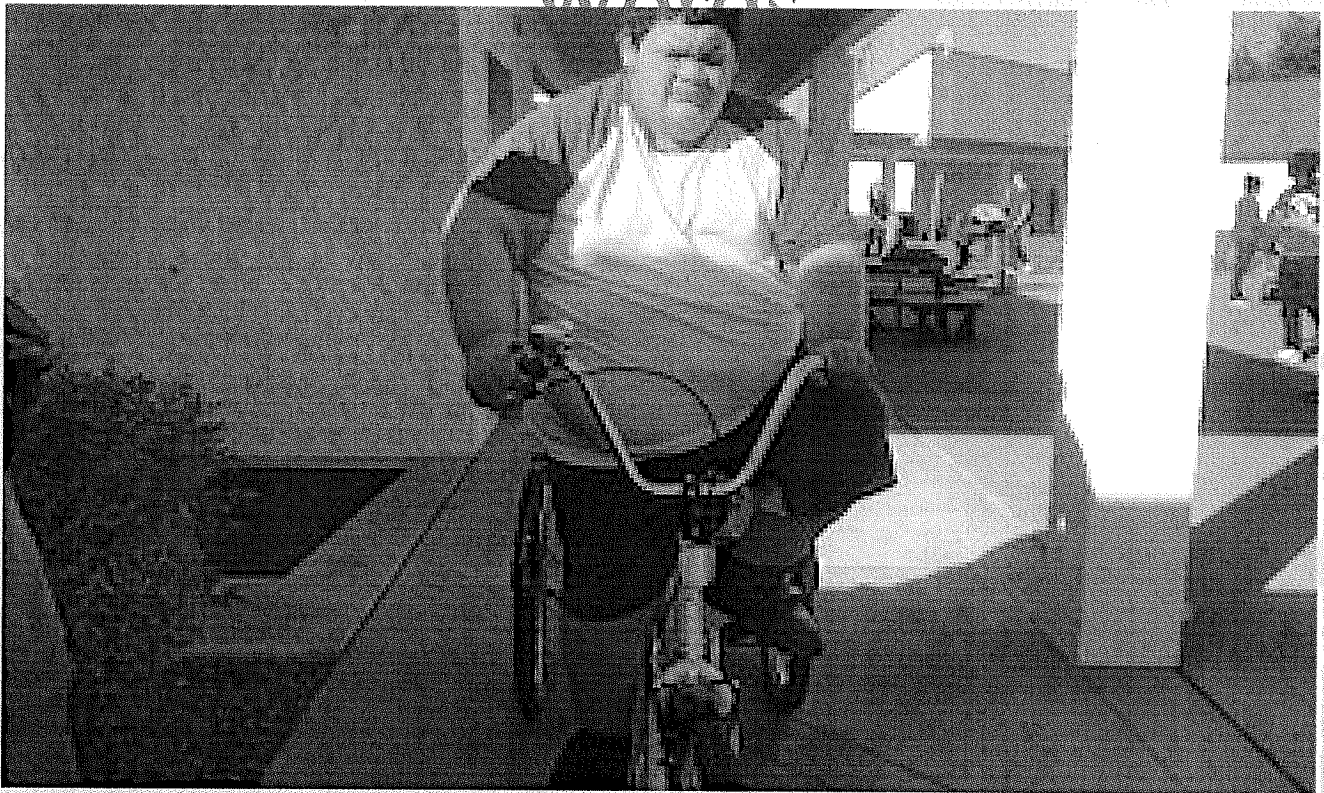

- ❖ Greengate School has many adaptive bikes for students to ride
- ❖ Not all of our students can ride because school had no bikes to accommodate anyone over 200 pounds
- ❖ Principal noticed one student looking sad at his peer riding bike and asked if they wanted to ride a bike
- ❖ Guess what answer was?
- ❖ All students should be included!
