Dear Jennifer and Shannon Taylor,

I want to begin by thanking you for allowing your child to be a Peer Role Model in our regional SDC classroom at Maxwell Elementary. It takes a special parent to see and understand the unique benefits of having a child participate in such a program.

Unfortunately, due to licensing issues, we are no longer able to offer Peer Role Model participation in this program. The last day that your child will be able to attend is Friday, September 27, 2019.

I understand the hardship that this may cause families and I am sorry for the inconvenience. Educational Services will work with families to try to find State Preschool, Head Start, or Transitional Kindergarten placements within our district.

This program has been an excellent model for inclusive practices, enhancing the educational environment for both the SDC students and the peer models. Again, I want to thank you for allowing your child to participate in such a meaningful program.

Sincerely,

Barbara Herms
Director, Elementary Education
