School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Dear Parents, Guardians, and Community Members,

We at Cesar Chavez Community School welcome your interest in our School Accountability Report Card (SARC). This report card provides parents, guardians, and the community with valuable information regarding Yolo County Office of Education's accredited, public community school, Cesar Chavez Community School (CCCS), with locations in both Woodland and West Sacramento. Our school provides educational programming and services for students in grades 7-12 who are 1) expelled from their district of residence, 2) referred by their district of residence due to behavior or truancy, or 3) are probation referred. This report will provide you with information regarding a variety of topics including student achievement, school safety, teacher/staff information, and curriculum and instructional materials. Our school is committed to continuous quality improvement and we continue to refine and expand programs to address student achievement. CCCS is founded on methodologies, programs, and settings to build and strengthen relationships and trust with high expectations. We have a highly trained staff who reach beyond normal expectations and experience to develop relationships with students who are challenging to engage or reach. Many of our students have only felt fear and a lack of trust towards adults and systems. The dedication and commitment of the CCCS staff to students and families is evident in not only what they do but in who they are as a team and as individuals. CCCS has a family-like atmosphere and we place the needs of our students as our highest priority. We have made significant progress, and yet, recognize there is always still much work to do to prepare our students for life post-graduation. We hope you find the report card an informative and useful tool to become more familiar with Cesar Chavez Community School. We welcome parent input as we continue to improve each student's educational experience and individual student achievement. Our goal is to create positive school environments for our students, families, and our educational staff.

Sincerely,

Gayelynn Gerhart, Principal

School Description and Mission Statement (School Year 2019—20)

Cesar Chavez Community School is a WASC accredited high school. Cesar Chavez Community School's primary campus is located in Woodland, California. A satellite classroom is located in West Sacramento, California adjacent to the Washington Unified School District Offices. Students are referred to the program from representatives of the five Yolo County school districts. Students are referred to the program for: truancy, behavior intervention, expulsion, probation, school anxiety and credit deficiency. The program serves students in grades 7-12; although students in grades 7 and 8 are exclusively served through an independent studies program. Students in grades 9-12 have two program options: Independent Studies and Day School. In addition to the administration, office staff, teachers and para-educators, a Probation Officer, Youth Advocate, Counselor and Mental Health Therapist are on campus to provide immediate interventions and supports to youth.

Vision: Cesar Chavez Community school is a community-driven center that provides the highest quality education, promoting success for all students in a setting where students, parents, and staff share responsibility for learning, mutual respect and safety.

Mission: Provide an educational environment that fosters success and empowers students by providing them the tools to conquer personal challenges, realize their potential, build self-confidence, set and attain goals and become productive members of the community.

School Facility Conditions and Planned Improvements

Cesar Chavez Community School (CCCS) is located at two campuses.

Woodland: The campus at 255 West Beamer Street, Woodland CA 95695, is large and offers students opportunities for time outside for physical activities. CCCS is composed of four classrooms, an art lab, and covered eating area for lunch and assembly. Repairs and maintenance are conducted by Yolo County Office of Education's Support Operations Services Department. The site looks well maintained overall. YCOE conducted a FIT survey of the site and found it to be in fair or good order for most systems inspected and a rating of fair overall. The FIT report was conducted in November, 2019.

West Sacramento: The other campus at 930 Westacre Road, West Sacramento CA 95605 is composed of one classroom and a computer lab and has sufficient space outside for physical activities. This facility is owned and maintained by Washington Unified School District (WUSD) in West Sacramento. YCOE conducted a FIT survey of the site and found it to be in good order for all systems inspected and exemplary overall. The FIT report was conducted in December, 2019.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017—18	School 2018—19	District 2017—18	District 2018—19	State 2017—18	State 2018—19
English Language Arts / Literacy (grades 3-8 and 11)	5%	0%	36%	20%	50%	48%
Mathematics (grades 3-8 and 11)	0%	0%	34%	22%	38%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education (CTE) Programs (School Year 2018—19)

The Yolo County Office of Education College and Career Readiness Department collaborates with Cesar Chavez Community School to provide supports in the following areas:

- Provides work-based learning opportunities related to career exploration, job search, resume writing and interviewing skills
- Develops enrichment activities and opportunities for students including industry-led workshops
- Provides on-site, industry-led instruction in the Building and Construction Trades Sector

There are currently no CTE program sequences offered. Students have the option to take online CTE courses via Edgenuity.

Cesar Chavez Community School works closely with industry advisory partner, Northern California Construction Training, and Yolo County Probation to offer work-based training in construction.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Building relationships among the student, parent/guardian, and staff are of utmost importance at Cesar Chavez Community School (CCCS). Parents and students must attend a personal orientation meeting with the CCCS counselor prior to enrollment so that they have an opportunity to meet all of the staff members, ask questions about the school and understand the expectations of the students. All parents and students meet together at the beginning of each school year to review any changes in the program and to meet each of the teachers and support staff members. At that time, parents are invited to volunteer on campus, so that they can have a close relationship with the school staff. There is an opportunity for parents to become members of the School Site Council as well. Parents are invited to meet with their student's faculty advisor and administrative staff during the school year. Families are invited to attend our Fall Back to School Night and Community Dinner. In addition, the school hosts a Spring Open House, Student Art Show, and Community Dinner. Progress reports are mailed home to students every quarter so that parents are informed about their students' progress. Parents also participate in student barbecues and celebrations. Two parent stakeholder meetings are planned for the spring to gather input regarding what they feel is working well and any suggestions they have for improvement. A parent group participated in the recent WASC accreditation mid-term review.

State Priority: Pupil Engagement

School Safety Plan (School Year 2019—20)

CCCS's Comprehensive School Safety Plan was revised and updated during the 2018-19 school year. The Yolo County Office of Education Board will next review and approve the school safety plan in February 2020. The safety plan was developed with staff input and is accessible in each classroom and office. The manual contains information on emergency procedures, hostage situations, natural disasters, acts of violence, and health and safety issues.

Two Youth Advocate's work with the probation officer to conduct home visits for attendance purposes and provides mentorship to students. A 50% School Resource Officer is provided for CCCS. Sacramento Area Youth Speaks (SAYS) provides literacy through poetry. Yolo Arts provides visual and ceramic art instruction. The Power Source program is a proven, evidence-based social emotional learning (SEL) program for high-risk youth. Designed to be a standalone program for anyone helping at-risk youth, Power Source equips adolescents with the social and emotional regulation skills they need to build healthy relationships, break intergenerational cycles of violence, addiction, and other high-risk behaviors, and be successful in the workforce. This unique and transformative program is both preventative and rehabilitative. Power Source guides adolescents and young adults in discovering their own resilience while building the skills associated with healthy social and emotional development. Health and Human Services and Communicare provide wrap-around supports and student training related to suicide prevention and mental health. The school is implementing Positive Behavior Intervention Support. CCCS is also implementing culturally-responsive curriculum and practices that are provided by The Culture C.O. - O.P., UC Davis SAYS and the School of Education, and through Moving Forward Institute with Reading with Relevance novels and instructional coaching and support.
