A Note From the Principal

LISA YOUNG

Our October and November months were action-packed with school events and student conferences. It's been fabulous to see community members back on campus. This Winter and Spring, we are looking forward to more events out in the community and our community coming to us. Next up is the Woodland Holiday Parade on December 10th. Do you have ideas of places and events Greengate School should have a presence? Let me know!

A Note From the Director

MARTY REMMERS

Winter is upon us! I hope everyone had a great Thanksgiving and was able to spend it with friends and family. While there are only a few weeks until the Holiday Break, they are going to be a busy few weeks. I wanted to thank our community partners, volunteers, parents, and staff for putting on an amazing Harvest Festival at Greengate. It was great to see the community as a whole get together to support our students. There will be no CAC meeting this month, but we will be back to our regular meeting schedule starting on 1/9/23 from 7 pm to 8:30 pm. Please reach out to me at 530-668-3789 with any questions about CAC, or anything related to YCOE educational programs.
