## A Note From the Principal

**LISA YOUNG**

Though beginning a parent newsletter in the Spring is unusual, I'm looking forward to having this additional space to communicate. We will highlight programs and the special people that work at Greengate School, share important dates, and update families with new information. If you have requests for information to be shared in these newsletters, I'm happy to listen. You can always contact me at Greengate School at (530) 668-3854 or [lisa.young@ycoe.org](mailto:lisa.young@ycoe.org).

## COVID-19 Updates

Keeping students safe at Greengate remains a top priority. Currently, under the recommendation of Yolo County Public Health, masks are optional outside for students and staff while still required inside. We continue to expect staff and students to monitor for symptoms and remain home if unwell. A letter home with more info went out the week of February 14th. Please contact me if you need another copy. We have received additional guidance regarding mask mandates from the state and we will know more about local level recommendations in the next few days. YCOE will continue to communicate via letter and School Messenger.

- Temperature of 100.4 degrees or higher
- Cough
- Runny nose or congestion
- Chills or uncontrollable body shaking with chills

# CAC Awards

The Yolo County Community Advisory Committee (CAC) is an organization of parents, educators and community members from all districts in Yolo County. This advisory committee provides special education in-service training for parents, actively supports special education legislation, facilitates communication among parents, schools and community and provides input on the Yolo SELPA Local Plan. One of the most exciting events they support are the CAC Awards, to be held this year on Monday May 9th. The Committee is currently soliciting nominations for exceptional dedication, effort, and commitment to serve children and/or adults with special needs. You can find more information on the CAC at [www.ycoe.org/cac](http://www.ycoe.org/cac) and the nomination form at <https://www.ycoe.org/cacnoms>

## Welcome Emily Fiser, RN

Let's please welcome Emily Fiser as the new YCOE School Nurse. She started with YCOE in January. She comes to us from Albuquerque, New Mexico, where she worked as a Pediatric Hematology Oncology RN. Previous to this, Emily worked in Labor and Delivery/Postpartum Care. She is a graduate of the University of Arkansas Eleanor Mann School of Nursing and lives with her husband and nine month old son. Emily is currently 3 days per week to support YCOE programs, and YCOE continues to seek out a 5 day a week school nurse.
