Principal's & Staff Celebration Corner

We are celebrating staff each month. This month we are celebrating Ian Demment.

Ian Demment grew up in Woodland and is very familiar with Yolo County as a whole. Ian teaches at the Horizon 9th through 12th grade program at the Yolo Education Center and also provides Home Instruction for our students in our Multiple Disabilities program.

Ian started with YCOE last school year, and he has done an amazing job with connecting with his high school age students and with his preschool students in the home. I had the pleasure of watching an elementary student work with Ian on his goals and the lesson was fun and educational. Plus, it does not hurt that the student was very sweet!

Parents – please keep an eye out for paperwork going home in backpacks and through email. With the end of the school year and ESY coming soon, there will be forms going home.

If you have requests for information to be shared in these newsletters, please contact me at jessica.bohatch@ycoe.org

- Jessica Bohatch, Principal

Upcoming Events

April 11 – 18

COVID Corner

Under the recommendation of the Yolo County Public Health Department, masks are optional and are not required to be worn inside or outside on school campuses.

Our Davis High program will be required to wear masks indoors until April 11th.

Please remember to check for symptoms daily and keep your child home if they have any COVID like symptoms.

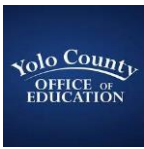

Please keep your student at home if they have a:

A temperature of 100.4 degrees or higher. A cough, runny nose, or congestion. Chills or uncontrollable shaking with chills. Fatigue or a headache, muscle aches, or body

aches. Nausea or vomiting, or diarrhea, or a sore throat.

Extended School Year

Extended School Year will be from June 15th – July 14th, with holidays on June 20th and July 4th. Please return any paperwork to classroom teachers regarding extended school year participation. We look forward to seeing your Students during the summer.

Teacher and Student Learning

- State Testing (CAASPP and CAA) will be coming soon to YCOE programs. Our staff will be administering state tests in English Language Arts and Math in late April and in the month of May. Students in grades 3rd through 8th grade and in 11th grade will participate in testing sessions. More information will be sent home regarding specific days for each classroom.
- Our secondary staff are currently working on professional development for Virtual Job Shadow and Oneder curriculums. While our new staff are participating in professional development for SEIS and IEPs.

Social Emotional and Wellness

- At YCOE, the social emotional wellness of our students and staff is a high priority. In many of our classrooms students meet in groups led by staff in order to discuss topics that are relevant to our students today.
- In addition, social emotional curriculum is standard in our programs and is a part of each subject a student learns in school.
- With the social emotional health of students across the nation becoming a daily newsworthy topic, it is important at YCOE that our students know that they are supported and their needs are being met daily in their classrooms.
- Thank you to all the staff that help our students!

Director's Corner

Please welcome Jessica Burrone, our Director of Special Education.

"Happy April! Some events that you may be interested in are the Yolo County Advisory Committee (CAC) on April 11th and the CAC awards night on May 9th. These meetings are from 7:00 – 8:30 PM and are held on Zoom. We are in the process of planning for Extended School Year (ESY) for staffing and student participation and planning has begun for the 2022 – 2023 school year. All vacancies are posted on www.edjoin.org. If you have any questions or concerns, please reach out to me at 530-405-8878."
