

AN ELEMENTARY TEACHER INSTITUTE: STEWARDSHIP OF THE WINTUN/PATWIN HOMELANDS

A 4-day teacher institute focused on the history, culture, and knowledge of the Wintun/Patwin homeland

facilitated by leaders from Save California Salmon, Yocha Dehe, the Cache Creek Conservancy, the California History-Social Science Project, the Sacramento Area Science Project, County Offices of Education, and UC Davis.

Participants will gain support for appropriate, respectful, and engaging classroom implementation. The program is designed to increase teachers' confidence and competency in leading classroom lessons that center the Wintun/Patwin people.
