I have reviewed the W-2 information and find it to be accurate and therefore authorize W-2's to process.

I have been advised of the \$18,000.00 Tax Shelter Annuity (TSA) contribution ruling per IRS code section 402(g), and have reviewed those employees with contributions in excess of the limitation.

I have also been informed about the Catch-up Contribution for s TSA, \$6,000, and have reviewed those employees with contributions in excess of the limitation.
