Yolo County SELPA Community Advisory Committee (CAC)

Learning Knows No Bounds

Mission Statement

Our mission is to empower students with disabilities and their families, to promote quality educational services, encourage and advance self-advocacy and influence decisions made on their behalf.

Roles and Responsibilities

Increase public understanding of the abilities of students with disabilities

Advise the Assistant Superintendent of the SELPA, the Program Advisory Committee and the Superintendents' Council on special education issues

Acknowledge and appreciate people, agencies, and businesses who champion the access and inclusion

Act as an advisory body regarding adoption of the Yolo County SELPA Local Plan as well as the Annual Service and Budget Plans

Provide parent trainings and informational workshops

Provide support to the families, parents and guardians of our students with disabilities

The Community Advisory Committee

The Community Advisory Committee (CAC) is your organization of parents, educators and community members. The Yolo County SELPA CAC provides special education trainings for parents; provides community awareness projects; actively supports special education legislation; facilitates communication among parents, schools and community; and develops special education literature and resources.

Frequently Asked Questions

Who can attend CAC?
Anyone!

All meetings are open to the public.

- What can CAC do for me?**
- Assist you in accessing community resources
 - Help you meet other parents in your community that have children with special needs
 - Inform you of your student's Procedural Safeguards
 - Support Alternative Resolution strategies to resolve special education conflict or disputes

What if I'm concerned with my child's progress?

It is important that you direct specific special education questions or concerns to your local school district. Each district has procedures to review and discuss your student's progress.
